

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but schools have been given the freedom to choose how they do this. A list of possible uses has been suggested.

Green Fold School has decided to use the money to:

- Have employed a qualified sports coach to work alongside all class teachers and other staff to strengthen teaching and learning of PE across school
- To enable the Physical lead teacher to work alongside the other member of staff to upskill staff to support children who are more able in PE / sports
- Support and engage the least active children in physical activities
- Pay for professional development opportunities for teachers in PE and sport
- Increase pupils' participation in the sports and physical activities
- Provide places for pupils on after school sports clubs
- Improve resources to support the development of the subject
- To provide Bikeability and Bike Maintenance Course.

The impact of the use of the grant will be reviewed at the end of every year.
