

THE ORCHARDS FEDERATION GOVERNOR PROFILE, 2019

Name: Gary Anders

Type of Governor: Head Teacher

Why I chose to join the Governing Body:

As Headteacher of Green Fold School my role is to ensure that I make governors aware of progress and developments within my school. I also want to make a wider contribution to the federation, sending out consistent messages and promoting inclusion.

My particular skills and interests are:

My background included a 4 year Primary Education degree. Following this I worked in a primary school for 8 years, developing a passion in the teaching of pupils with special educational needs. This helped direct my career pathway and I moved to a role as Assistant Head Teacher in a special school in Liverpool.

After completing further education training in SEN and leadership I moved 3 years ago to become Headteacher at Green Fold. Outside of school I enjoy to spend time with my family and at our caravan in North Wales.
